EXPERIENCE

Apr 21 - Jul 25	BOSTON CONSULTING GROUP Global management consulting firm, with annual revenue of €11B and 33k employees worldwide in 2024	SÃO PAULO, BRAZIL
Nov 24 - Jul 25	<i>Consultant</i> Constructed dynamic financial model to simulate impact of new business levers on EBITDA, IRR, and capital injections from shareholders, formulating implementation of + €80M in value levers to support negotiations with government	
Nov 23 - Oct 24	<i>Senior Associate</i> - Directed redesign of Brazil's organizational structure, impacting 200+ FTEs, collaborating with LatAm & European teams - Led quantitative analysis and launched Quick Win initiative, within 8 weeks, rolled out new installment policy to client's commercial team of 1,500+ employees, fully offsetting €5M project cost - Identified client's pain points and designed governance changes (e.g. new dashboard, performance criteria) into pricing committee, directly improving client's processes and effective decision making	
Apr 21 - Apr 23	<i>Associate Consultant</i> - In response to the need to reduce software spend from major IT global provider, structured costs and future projections, supported strategic negotiations leading to contract closure with a 40% reduction from the initial €500M bid - Spearheaded analysis and detailing of 4 of the largest growth and cost reduction opportunities (de-average analysis and improvement potential quantification), resulting in €20M additional margin per year	
May 23 - Oct 23	INTERNATIONAL FINANCE CORPORATION Global finance institution within World Bank, with annual revenue of €6B and 4,500 employees worldwide in 2024	SÃO PAULO, BRAZIL
	<i>Health and Education Consultant (BCG Secondment Program)</i> - Led end-to-end analysis, providing recommendations to define countries' shortlist for pharmaceutical Africa expansion, such as demand, competition/regulatory analysis, expert meetings, partner selection, setting a new framework and methodology for future South-South internationalization initiatives at IFC - Led first global sustainability-linked loan tied to social impact KPIs (e.g. selection of indicators, feasibility analysis, market benchmarks), securing €77M in funding for a medical education company in Brazil	
Apr 19 - Jan 21	SMU INVESTIMENTOS Crowdfunding startup, supporting democratization of investments to seed startups, with investments of €3M in 2019	SÃO PAULO, BRAZIL
	<i>Financial and Strategic Analyst</i> - Designed company's strategic planning with partners, implemented performance management methodology (OKRs), reorganized structure, prepared company for investment round (€800k). In 2024, it was sold to major investment fund - Developed and launched first public "startup investment simulator" in Brazil, enabling investors to forecast potential returns and make more informed investment decisions	
Sep 18 - Feb 19	MERCEDES BENZ GROUP Leading global automotive manufacturer with around 166k employees and annual revenue of €153B in 2024	STUTTGART, GERMANY
	<i>Product Strategy Intern</i> Conducted extensive analysis (customer's needs, competitor's sales, new releases & economic trends for region) for low-selling product in Latin America, reaching the root cause and presenting it to the department's head officer	
Aug 16 - Jan 18	SOMOS EDUCAÇÃO Largest K-12 educational company in Brazil (part of Cogna), currently servicing 130k schools and 30M students	SÃO PAULO, BRAZIL
	<i>Strategic Planning Intern</i> Assisted reorganization of strategic planning department. Reorganized internal processes, created unique model of analyzing top target schools, prepared automatized budget planning models
